

The Pet Tear

By Randal S. Doaty

We share a special love –
Of pets who warm our heart.
Friendship freely offered –
Companionship their art.

The life you shared together –
Not tallied by the years.
The precious gifts a pet can share,
Are measured by your tears.

Few words can offer comfort,
For friends who lose a pet.
This tear of glass is offered,
For those you won't forget.

Know we share your sorrow,
As deep as it may go.
We too have lost a loving pet,
A grief we also know.

Some day you shall remember,
The pet you loved so dear,
With smiles and sweetest memories,
Reflected off your tears.
