

# The Battle Tear

*By Randal S. Doaty*

This tear shall be a symbol,  
That you intend to fight,  
The evil cells within you,  
Whose presence has no right.

This tear shall be a symbol,  
That hope is now your creed.  
If words of doubt should whisper,  
The thoughts you do not need.

This tear shall be a symbol,  
Your feelings are your own,  
A pledge to those around,  
To make your wishes known.

This tear shall be a symbol,  
From those whose love is true,  
We join you in this battle,  
To stand and fight for you.

This tear shall be a symbol,  
To carry through this fight,  
When in your darkest moments,  
God shall send some light.
